

2016 Pink Flamingo Awards

The chapter celebrated another fantastic Pink Flamingo Awards Banquet on December 2nd at Via Brasil Steakhouse. Attendees mingled with coworkers, vendors, and fellow landscape architects while perusing raffle items, soaking up the wonderful party atmosphere, and taking in the venue's ambiance. The event included chapter updates from the Nevada State Board of Landscape Architecture, NVASLA President, and UNLV.

Awards this year were given to the following:

Silver Award - Ron Blakemore

President's Award - Carrie Becker

Trustee's Award - Dan Kovach

Award of Honor - Naomi Duerr, Reno City Council

Members Benefit Award - Caryl Davies

A special thanks go out to our several of our chapter members: fabulous MC, Jack Zunino, who always entertains and makes any event exceptional; the fantastic decor was created and set up by Lindzay Green and Mirella Garcia; Cecilia Schafler and Erin Reiswerg worked together to put on the event, it's theme, the awards, and raffle; the wonderful Pink Flaming Queens were on board again to help with setting up and event planning (Caryl Davies, Johanna Murphy, Cassi Dawes, and Lynnette Russell); and Tara Carrell worked diligently to assist with check-ins and treasurer duties. Thank you again for making the 2016 Pink Flamingo Awards successful!
